General Approach

The aim of this Internet Acceptable Use Policy (AUP) is to ensure that pupils will benefit from the learning opportunities offered by the school's internet resources in a safe and effective manner.

Internet use and access is considered a school resource and privilege. If the school AUP is not adhered to this privilege may be withdrawn and appropriate sanctions will be imposed.

When using the internet pupils, parents and staff are expected:

- To treat others with respect at all times.
- Not undertake any actions that may bring the school into disrepute.
- Respect the right to privacy of all other members of the school community.
- Respect copyright and acknowledge creators when using online content and resources.

This Acceptable Use Policy applies to pupils who have access to and are users of the internet in Clogher Road Community College .

- It also applies to members of staff, volunteers, parents, carers and others who access the internet in Clogher Road Community College.

Misuse of the internet may result in disciplinary action, including written warnings, withdrawal of access privileges, detention and, in extreme cases, suspension or expulsion. The school also reserves the right to report any illegal activities to the appropriate authorities.

Clogher Road Community College will deal with incidents that take place outside the school that impact on the wellbeing of pupils or staff under this policy and associated codes of behaviour and anti-bullying policies. In such cases Clogher Road Community College will, where known, inform parents/carers of incidents of inappropriate online behaviour that take place out of school and impose the appropriate sanctions.

Clogher Road Community College implements the following strategies on promoting safer use of the internet :

- Pupils will be provided with education in the area of internet safety as part of our implementation of the SPHE and CSPE curriculum.
- Internet safety advice and support opportunities are provided to pupils in Clogher Road Community College through our [INDUCTION, PASTORAL CARE, ICT, PEER MENTORING programmes].
- Clogher Road Community College participates in Safer Internet Day activities to promote safer more effective use of the internet.

This policy and its implementation will be reviewed annually by the following stakeholders:

- Board of Management, teaching staff, support staff, pupils, and parents

The school will monitor the impact of the policy using:

- Logs of reported incidents.
- Surveys and/or questionnaires of pupils, parents, and teaching staff.

Should serious online safety incidents take place, the Principal and/or Deputy Principal should be informed.

The implementation of this Internet Acceptable Use policy will be monitored by all staff members

Content Filtering

Clogher Road Community College has chosen to implement the following level on content filtering on the Schools Broadband Network:

- Level 4 This level allows access to millions of websites including games and YouTube but blocks access to websites belonging to the personal websites category and websites such as Facebook belonging to the Social Networking category.

Pupils taking steps to by-pass the content filter by using proxy sites or other means may be subject to disciplinary action, including written warnings, withdrawal of access privileges, detention and, in extreme cases, suspension or expulsion.

Web Browsing and Downloading

Pupils will not intentionally visit internet sites that contain obscene, illegal, hateful or otherwise objectionable materials.

Pupils will report accidental accessing of inappropriate materials in the classroom to their teacher.

Pupils will report accidental accessing of inappropriate materials in school but outside the classroom to a teacher

Pupils and staff will not copy information from the internet without acknowledging the creator and referencing the source of the content.

Pupils and staff will be aware that any usage, including distributing or receiving information, school-related or personal, may be monitored for unusual activity, security and/or network management reasons.

Pupils will use the school's internet connection only for educational and career development activities.

Pupils will not engage in online activities such as uploading or downloading large files that result in heavy network traffic which impairs the service for other internet users.

Pupils will not download or view any material that is illegal, obscene, and defamatory or that is intended to annoy or intimidate another person.

- Use of file sharing and torrent sites is allowed at certain times.
- Downloading by pupils of materials or images not relevant to their studies is not allowed.

Email and Messaging

- The use of personal email accounts is not allowed at Clogher Road Community College.
- Pupils should not under any circumstances share their email account login details with other pupils.
- Pupils should not use school email accounts to register for online services such as social networking services, apps, and games.
- Pupils will use approved class email accounts only under supervision by or permission from a teacher.
- Pupils should be aware that email communications are monitored.

Pupils will not send any material that is illegal, obscene, and defamatory or that is intended to annoy or intimidate another person.

Pupils will not use of school email accounts or personal emails.

Pupils should immediately report the receipt of any communication that makes them feel uncomfortable, is offensive, discriminatory, threatening or bullying in nature and must not respond to any such communication.

Pupils should avoid opening emails that appear suspicious. If in doubt, pupils should ask their teacher before opening emails from unknown senders.

Sharing explicit images and in particular explicit images of pupils and/or minors is an unacceptable and absolutely prohibited behaviour, with serious consequences and sanctions for those involved. Sharing explicit images of other pupils automatically incurs suspension as a sanction.

Cyberbullying

When using the internet pupils, parents and staff are expected to treat others with respect at all times.

Engaging in online activities with the intention to harm, harass, or embarrass another pupil or member of staff is an unacceptable and absolutely prohibited behaviour, with serious consequences and sanctions for those involved.

Measures are taken to ensure that staff and pupils are aware that bullying is defined as unwanted negative behaviour, verbal, psychological or physical, conducted by an individual or group against another person (or persons) and which is repeated over time. This definition includes cyber-bullying even when it happens outside the school or at night.

Measures are taken by Clogher Road Community College to ensure that staff and pupils are aware that bullying is defined as unwanted negative behaviour, verbal, psychological or physical, conducted by an individual or group against another person (or persons) and which is repeated over time. This definition includes cyber-bullying even when it happens outside the school or at night.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and will be dealt with, as appropriate, in accordance with the school's code of behaviour.

The prevention of cyber bullying is an integral part of the anti-bullying policy of our school.

School Websites

Pupils will be given the opportunity to publish projects, artwork or school work on the internet in accordance with clear policies and approval processes regarding the content that can be loaded to the school's website.

The website will be regularly checked to ensure that there is no content that compromises the safety, privacy, or reputation of students or staff.

Webpages allowing comments or user-generated content will be pre-moderated and checked frequently to ensure that they do not contain any inappropriate or offensive content.
