

ETSS National Debate Competition 2024/25

- Below are the groups which you will compete in for the group stages along with the contact person for each school (on right hand column).
- If you have any issues you can contact me. There will be an online form to submit the results. I will send a link around to this with the details of the payment and videos for Judge training for students.
- In situations where there are disputes about results or the awarding of points for a debate, the committee will attempt to broker an agreement between the sides.
